Empowering all to flourish

This individual or team creates a safe and respectful community of hope where we can all flourish.

This may include actions or behaviours such as –

- This individual or team creates cultures of respect, trust, and safety where the human dignity of each person is embraced and celebrated.

- This individual or team creates and nurtures communities of inclusivity and belonging where all are known and understood, in particular the most vulnerable in their community.

- This individual or team fosters authentic partnerships of mutual benefit, equity and transparency that are anchored in the well-being of all.

- This individual or team creates cultures of learning where all are invited to have a voice and to be agents of their own learning.

- This individual or team brings attention to ways of being and participating in online spaces that are safe and respectful.
