

Enhancing family engagement, governance, and stewardship

This individual or team ensures cooperation and collaboration underpin effective family engagement, governance and stewardship.

This may include actions or behaviours such as –

- This individual or team develops authentic partnerships based on mutual trust and respect that connect families, the school, and the school parishes.
- This individual or team actively engages, challenges and support families in the learning process.
- This individual or team supports families during transition points (e.g.: kindergarten to school, junior school to middle school, primary to secondary school etc)
- This individual or team ensures partnerships and communication exist between the key stakeholders.
- This individual or team ensures there are effective governance policies, procedures and relationships in place.
- This individual or team ensure practices of effective financial management, capital development and stewardship of all resources.
