What is

DOBCEL?

Diocese of Ballarat Catholic Education Limited and its operational arm, Catholic Education Ballarat (CEB) work together to support the leadership of Catholic Primary and Secondary schools, to promote Catholic identity, to deliver quality learning, provide effective stewardship and nurture respectful and trusting relationships with the community.

Why are we looking

for international

TEACHERS?

There is a growing shortage of teachers in Australia. We are looking for international teachers who are interested in working in Australia. We would like you to come and work in one of our Catholic schools in Western Victoria. For eligible candidates we will provide financial incentives and VISA sponsorship. The more rural and remote the school location - the greater the incentives.

We are waiting to hear from you!
