

Rationale

To promote higher education studies in religious education, theology and Catholic educational leadership, Diocese of Ballarat Catholic Education Limited (DOBCEL) will allocate specified funds annually to sponsor teachers and leaders in Catholic schools, based on identified priorities. It recognises theology and educational leadership are important elements of contemporary Catholic leadership and teaching.

Applications from Religious Institutes and Ministerial Public Juridic (RI/MPJP) schools operating within the Ballarat diocese, will be overseen by DOBCEL through a Service Level Agreement in place with these schools.

Context

Diocese of Ballarat Catholic Education Limited (DOBCEL), recognises the importance of supporting teachers and current and aspiring school leaders to pursue advanced academic studies in religious education, theology and Catholic educational leadership, to enhance Catholic identity. DOBCEL believes that support for these studies is critical and, is a responsibility shared by schools and individuals.

The financial impost of postgraduate study on the individual can be prohibitive and become a barrier to seeking out further learning. This barrier is removed by the shared contribution arrangement of costs being covered by DOBCEL and the student.

Sponsorship for accreditation (4 tertiary units over 2 years) is funded for primary teachers through recurrent grants and for secondary teachers through the Secondary Religious Education Professional Development levy paid by each secondary college in the diocese.

Scope

The Sponsorship: Higher Education Studies in Religious Education, Theology, Catholic Educational Leadership Guidelines applies to all Principals and school teaching staff.

Sponsorship Funding

Each year the Diocese of Ballarat Catholic Education Limited (DOBCEL) allocates specific sponsorship funds for staff pursuing academic qualifications, prioritising Religious Education, theology and Catholic educational leadership.

This sponsorship is funded for primary teachers through recurrent grants. For secondary teachers, sponsorship is funded through the Secondary Religious Education Professional Development levy paid by each secondary college in the diocese.

Once sponsorship applications have been approved, DOBCEL will distribute funds as required upon receipt of evidence of successful completion of study.

Successful applications for sponsorship for CEB staff will be funded from GACP and distributed from DOBCEL.

DOBCEL will communicate to applicants and schools the outcome of their application for sponsorship and confirm sponsorship terms.

Funding Arrangements

- Primary teachers undertaking studies to meet VCEA Accreditation requirements will be funded two thirds from DOBCEL and one third from the school. Where funds are available, Sponsorship funding for Catholic Education Leadership, Religious Education or theology courses beyond accreditation, is based on the cost of university fees per unit and will usually be provided on the arrangement of one-third from DOBCEL, one-third from the school and one-third from the applicant. In most cases, sponsorship will not exceed support of 2 units per academic year.
- Secondary teachers pursuing academic study to meet VCEA Accreditation requirements will be funded fully through the Secondary Religious Education Professional Development fund. This is designed to support accreditation and will not exceed 2 units per year. Funding for other priority courses in Catholic Education Leadership, Religious Education or theology courses beyond accreditation will be funded two-thirds by the school and one-third from the applicant.
